Polson Higgs is best-in-business at providing perfect fit software

With such a wide range of software options available in today's competitive marketplace it's good to know that Polson Higgs is here to help you make the right choice.

Polson Higgs' Business Systems Solutions (BSS) team knows the strengths, weaknesses and capabilities of all major brands of business software and the opportunities these bring to your organisation, especially Cloud technology.

Polson Higgs' BSS delivers a complete implementation, training and support service with the additional support of a large, highly responsive team from Polson Higgs' Information Technology and Accounting Solutions teams – so all the pieces click into place.

Integrated Business Systems Solutions

The Polson Higgs' BSS team has over 20 years' experience working with leading accounting and business software suites. We offer you a holistic approach to managing your business processes and business systems. We look at all aspects of your business to ensure that our solution is "perfect fit".

Our services include:

- Work with you to assess the best systems fit
- Guidance on systems options
- Review your processes and recommend areas for improvement
- Knowledge of available industry-specific "add-on" partner modules
- Take responsibility for implementation
- Train and support your team
- Keep you up-to-date on IT and Cloud computing developments
- Provide practical, forward-looking advice
- Advise on ways to improve efficiencies and the productivity of your systems
- Practical profit and performance improvement advice.
