EMPLOYEE ENGAGEMENT

Understanding Motivation in Difficult Times

Wondering how to maintain your team's motivation during the downturn? It is more important than ever to engage and retain your top talent. Attend our workshop on how to increase the motivation of your employees.

Why attend this workshop?

- Discuss the need to consider employee motivation during this difficult economic time
- Increase your understanding of motivation in its wider context
- Identify what motivates employees - Identify what demotivates and holds them back
- Learn effective processes for conducting motivation discussions
- Consider ways to manage and increase motivation
- Create individual action plans to motivate employees or teams
- Understand why you need to focus on employee motivation
- Learn how to enhance employee engagement, work commitment, and performance
- Increase job satisfaction
- Retain key employees

Employee Engagement Workshop

This workshop is designed to give you practical tools to **improve employee motivation** in your organisation.

The workshop will provide **practical guidance** on structuring productive motivation discussions. Attendance at this workshop will equip you to hold **powerful discussions to motivate and engage others.**

This workshop is ideal if you need to:

- Re-engage your workforce after major change
- Ensure new hires “hit the ground running” by effective and targeted integration into your organisation
- Help your organisation be more successful by pinpointing how to maximise the effort of each individual.

Timetable

- 7.30 am Registration
- 7.45 am Working breakfast workshop commences
- 9.30 am Finish

What will I receive?

- By attending this workshop you will receive access to an on-line motivation questionnaire and gain a free report from SHL, valued at \$170 plus GST
- Handouts of the workshop material
- An opportunity to talk to people in other organisations looking to achieve the same outcomes.
