

**Polson Higgs Client Advice # 1 – We are Working from Home**

Following the COVID-19, Level 3 announcement, the Partners at Polson Higgs have, in the best interest of both our clients and staff safety, closed the office.

We have arranged for our staff to work from home and are confident (following recent testing) that we will be available and able to assist you as normal.

For more information, please either ring Reception on (03) 477 9923, or check out our [website](#)

Alternatively, please email your Polson Higgs contact directly or phone them on the number in their email address.

Kind regards
